TESTS AND MEASUREMENTS

Mental Measurements Yearbook – 15th Edition

Barbara S. Plake (Ed.)
REF Z5814.P8 B932 2003

Gives critical reviews of standardized educational, psychological and vocational tests, followed by bibliographies for additional reading. The actual tests are not included and the 15th edition supplements rather than supercedes the earlier editions.

Test Critiques

Daniel J. Keyser (Ed.)
REF BF 176.T419

Each volume in this series contains reviews of standardized tests, primarily in education and psychology. Practical applications and technical aspects of each test are included, as well as bibliographies for additional reading.

Directory of Unpublished Experimental Mental Measures

REF BF 431.G625

Each volume of this directory includes references to recently developed experimental tests which are not currently produced commercially. Bibliographies included for further reading.

Tests in Print VI

Linda L. Murphy (Ed.)
REF Z5814.E9T47 2002

This volume is an index to tests, test reviews and the literature on specific tests. It serves as an index to reviews of tests in the fourteen editions of the Mental Measurements Yearbook.

Tests: A Comprehensive Reference for Assessments in Psychology, Education and Business – 4th Ed.

Richard C. Sweetland (Ed.)
REF HV6017 .E52 2002

Standardized tests in psychology, education and business are further subdivided into narrow subject areas. Each entry in this volume gives the age level, purpose, description, cost and publisher of the test.

ETS Test Collection – Tests in Microfiche

Index: REF LB 3051.T4
Collection: Multimedia Department

The ETS Test Collection contains microfiche copies of certain unpublished tests. These tests may provide students and researchers with ideas for the development of their own tests.

GUIDES TO COMPLETED RESEARCH

Dissertation Abstracts International

REF Z5055.U5A53

Contains abstracts of doctoral dissertations done at American universities and some foreign ones as well. It is published monthly in two parts – Part A (Humanities and Social Sciences) and Part B (Sciences and Engineering). Each issue contains subject and author indexes.

Comprehensive dissertation index, 1983-1987

REF Z5053 .C65 1989

These sets list all dissertations accepted at universities in the United States. When available, the CDI includes the volume and page number in the Dissertation Abstracts International, so one can refer to the abstract. Each set is divided into keyword subject and author indexes and is kept up to date with annual supplements.

Masters Abstracts
REF Z5055.U49M#

This quarterly publication includes abstracts of selected master's theses from various colleges and universities and covers all subject areas.

Masters Theses Directories
REF Z5055.U5M375

This three-part directory lists master's theses in education, arts and social sciences and natural and technical sciences in the United States and Canada. Each part is divided into narrow subject areas and gives the author, title, date and place of publication of each thesis. Abstracts are not included.
